## Teeny Tiny Tigers and Mercy Midnight Storm

are MEP's premiere elementary and high school FIRST Robotics teams.

Proceeds from this event will help our team design and build their robots, stock their work pits at competitions, and travel to competitions.

Did you know that 92% of girls who are exposed to STEM learning by middle school believe that they are smart enough to pursue a career in STEM? It's true!

Show the girls of Southwest Detroit that STEM is for them!

*Thank you to our current sponsors!*
